**Real Estate Lawyers
Association
of North Carolina**

Defending Property Rights

We invite you to join us! The Real Estate Lawyers Association of North Carolina, Inc. is over 400 real estate closing attorneys, title counselors, and litigators from all over North Carolina, sharing a common vision to defend, develop and define ethical, viable real estate business practices. RELANC is first and foremost committed to defending consumers who purchase real property in North Carolina.

This year we have been integrally involved with more than a dozen legislative issues, many of which you can view at www.relanc.com, and where you can also view our February 23, 2019 annual meeting announcement. We have long-standing partnerships with the NC Closing Attorney Best Practices Task Force, hosting webinars such as *Contract to Closing: Protecting Your Clients and their Money from Cyber Fraud*. Members and officers are currently serving on the NC Land Records Task Force, the NC Bar Association Real Property Section Council, and the Secretary of State's E-Mortgage Closing Advisory Committee.
